BAPTIZE AMERICA

PARTNER WITH BAPTIZE THE WORLD

Everything You Need to Know!

We are so excited about what God is doing through the Baptize America movement, and we would love for your church to partner with us. Below is everything you need to know about participating, organizing, and promoting baptisms at your church this Pentecost Sunday.

HOW YOUR CHURCH CAN GET INVOLVED:

To participate in Baptize America, we simply ask that you register your church online at baptize.org. After doing so, incorporating Baptisms into your Church service on Pentecost Sunday is how we ask churches to partner with us. This ensures that people take this step of faith within their local church community, surrounded by those who will continue to disciple and support them.

HOW WILL PEOPLE SIGN UP FOR BAPTISMS AT YOUR CHURCH?

Since our inception, the Baptize movement has gained international recognition, and its reach continues to grow. We encourage churches to partner with this momentum by promoting their baptisms through social media, Sunday announcements, email newsletters, and personal invitations. You can have full permission to advertise that

you are joining with the Baptize America/Baptize the World movement on Pentecost Sunday—the largest synchronized baptism event in global history!

BAPTISM SIGN-UPS & CHURCH RESPONSIBILITY

We will feature a list on our website of all Host Churches that have signed up to participate.

We encourage churches to use their existing baptism process and systems—you know what works best for your congregation!

Once someone signs up for baptism at your church, you will be responsible for integrating them into your church's system, following up with them about baptism details, and preparing them for their baptism experience.

WHAT TO COMMUNICATE TO THOSE GETTING BAPTIZED:

- Time & location of their baptism
- What to bring (clothing, towel, etc.)
- What your church will provide (Baptism shirt, Bible, certificate, etc.)
- Follow-up process & next steps
